Slabs

Slab Size 3040 x 1440 mm

Slab Thickness 20 mm & 30 mm ■

Product Features

- Non-porous ✓
- High Scratch & Chip Resistance ✓
- High Abrasion Resistance ✓
- High Resistance to Staining ✓
- High Flexural Strength ✓
- High Resistance to Acid ✓

Slab Identification

Every Quantum Quartz slab is stamped on the underside to certify authenticity.

The Ultimate in Stone Technology

Quantum Quartz is manufactured using the patented Breton process which is renowned worldwide and contains more than 93% natural quartz, 7% combined bonding agent, special additives and pigments, making it an extremely hard wearing, practical and highly versatile surface.

Quantum Quartz is the ideal low maintenance, hygienic choice for benchtops, splashbacks, vanities and more.

Quantum Quartz looks great and with its sleek lines and finishes you can be assured many years of lasting beauty and style that you would expect and appreciate of such a highly reputable product.

Quantum Quartz surfaces are of the highest quality and offer a 10 Year Limited Warranty.

Edge Profiles

Please find below a list of possible edging details available – other custom profiles are available – Quantum Quartz recommends a minimum radius of 3-4mm on edge detail for optimal performance.

Quantum Quartz Cream Cleanser

Keep your Quantum Quartz benchtop looking like new with Quantum Quartz Cream Cleanser.

Available online at www.wk.com.au

Please visit our website for Care & Maintenance and 10 Year Limited Warranty information

Note: Quantum Quartz is a natural based surface. It may contain variation in colour due to raw materials. Particles used in the products may sometimes produce minor irregularities such as blotches and coloured particles. It is recommended for the customer to view the whole slab.
